Worship With Us this Sunday, February 8

Worship with us at 10am this Sunday! Join us here at PUCC or on YouTube Live (@parkwayuccstl)... or participate any time later on YouTube.

Our **Psalm 112:1-9** echoes with the light, mercy, compassion, joy, generosity and justice that stand the test of time. We are invited to trust these ways of God and to find ways to bring more of these gifts into reality in the corners of the world we inhabit. When we do this, there will be more momentum to love, belonging and peace.
In **Matthew 5:13-20**, Jesus implores is to be and stay strong, shining bright, generous, unshaken. He says, "You are the salt of the earth. You are light on hill."

Worship bulletin **here**!

Calling all SCOUTS! We will recognize and celebrate all SCOUTS... so feel free to wear uniforms and/or bring some scout **paraphernalia whether you are a current or former Scout.**

Songs include: *When Morning Gilds the Skies; Christ Be Our Light; Spirit of the Living God; This Little Light of Mine; Be Still and Know that I Am God; Praise God Whose Names Abound; Bring Forth the Kingdom (You are Salt of the Earth)*

Our 2026 Lent/Holy Week/Easter Planning Team is forming now. Please consider being a part of this short-term worship team. All are welcome. Questions? Interested? Please reach out to kevin@parkwayucc.org by ***February 10*** and we will find a time for an initial meeting.

Prayer Partner Before Worship this Sunday
Gabriel Requadt is available this Sunday in the front left corner of the sanctuary before worship to pray confidentially with individuals. He has earned his Master of Divinity from Eden Theological Seminary, has gone through Clinical Pastoral Education, is a licensed pastor at PUCC, and is heading toward his ordination examination in June. He will call on the presence of God and help create a safe spiritual space with you. Gabriel will listen to you as you tell him a bit about your prayer request. He will offer an affirmative prayer out loud, reminding you of your inner strengths rather than ask God for a specific outcome. He will pray that you are guided by God's infinite love, presence and support... and that any joy or gratitude will be multiplied, and any fear or doubt will be transformed into peace and confidence.

ANNUAL BUDGET MEETING this Sunday immediately following worship in the sanctuary. Please plan to stay for our Congregational Meeting to act on our proposed 2026 budget. All are invited - members, friends, visitors.

Reproductive Healthcare Discussion Groups Small Group Discussions for women & men in the Heritage Room
Tuesday, February 24 from 7-8:30pm
Saturday, February 28 from 2-3:30pm

Our Church Council recently adopted several UCC General Synod Resolutions. One includes affirming the right of all people to access reproductive health care and that the choice to have and care for children is a sacred decision which should not be forced on anyone. Parkway is facilitating several opportunities to learn more about the political, personal, medical and family well-being implications of this issue.

RSVP to **827mariani@gmail.com** or click **here** and reserve early as space is limited for some sessions.

On **Sunday, March 1**, in the Heritage Room after worship, Lisa Williams will lead a program addressing "Who should make decisions about reproductive health?" Speaker Series Occasional opportunities after worship at 11:15am
"Growing Up in St. Louis over the Last Century," by Ron Elz, aka Johnny Rabbitt.
Sunday, February 15 | 11:15am | Heritage Room

History comes alive with this program by St. Louis radio legend, Ron Elz, also known as Johnny Rabbitt. Mr. Elz was the first to use the Johnny Rabbitt moniker and helped popularize the name during the 1960's at the radio station KXOK. After some time away from the Rabbitt persona, Mr. Elz resumed using the Johnny Rabbitt name in 1975 and since has hosted the classic oldies show Route 66 on KMOX. He also has continued his legacy by presenting programs that explore interesting and novel nostalgic times in the River City. What makes nostalgia so powerful? It's because of its bittersweet quality - a mix of happy recollections and a slight sadness for what is lost. Join us as Johnny/Ron takes us down memory lane with stories, legends and myths, fun photos, some trivia, and a few quips and jokes. Questions? Richard Scherrer at **90fivetpr@gmail.com**

February Alzheimer's News
There are positive results from the U.S. POINTER Study - The Alzheimer's Association U.S. Study to Protect Brain Health Through Lifestyle Intervention to Reduce Risk (U.S. POINTER) showed that lifestyle changes can help protect brain health in older adults at risk of cognitive decline. More than 2,000 older adults from diverse backgrounds across the country took part in this groundbreaking study investigating how a lifestyle program can benefit brain health. Participants were placed in two groups: a structured group or a self-guided group. Findings showed that both groups improved their brain health, but the structured group improved even more – demonstrating the importance of support and accountability. By the end of the study, participants in the structed program performed like people who were one to almost two years younger in age.

For more details on current and future Alzheimer's research, visit alz.org/Research. You can learn more by going to www.alz.org/helpsupport/resources or the Alzheimer's Helpline which is accessible 24/7 via 800-272-3900 and staffed by master's level clinicians to assist with crisis situations, decision making, and disease information. Support the Immigrant Community at a Faith Rally at the MLK Bridge on Monday, February 16 (Presidents' Day)
Indivisible St. Louis is partnering with members of the clergy and faith community for a special rally on Presidents Day. Like many activists, these religious leaders have been moved to action by recent heartbreaking events.

Monday, Feb 16 • 10AM-12PM • MLK Bridge

The clergy and faith community call on people across our region to gather for a Presidents Day Rally, bringing faith and justice together on the Dr. Martin Luther King Jr. Bridge. Join us as we lift a moral voice and hold space for all who wish to stand in solidarity with immigrant communities and call for an end to the devastating treatment so many are facing. This gathering will be a peaceful and prayerful witness, offering a way for those who have grown weary of violence and intimidation to show up grounded in conscience, compassion, and care.

We will meet at the base of the bridge at 10AM and walk up to the middle to meet with those from the other side of the bridge. The rally includes music, testimonies of those experiencing injustice, and words of faith and hope.

Together, we will call for an end to violence and intimidation and for meaningful immigration reform. The blood of our kin cries out from the ground, and tears flow from the places where they are forced to hide. We cry out for wholeness, healing, and justice for all. This is an outdoor event. For your own safety, please be mindful of weather conditions and wear comfortable walking shoes. Learn more about this event here.

[Stay tune for a message about logistics: parking will be coordinated in a lot (Vatterott) with buses shuttling folks to the foot of the bridge. There are also efforts trying to get free passage from Metro Link.]
